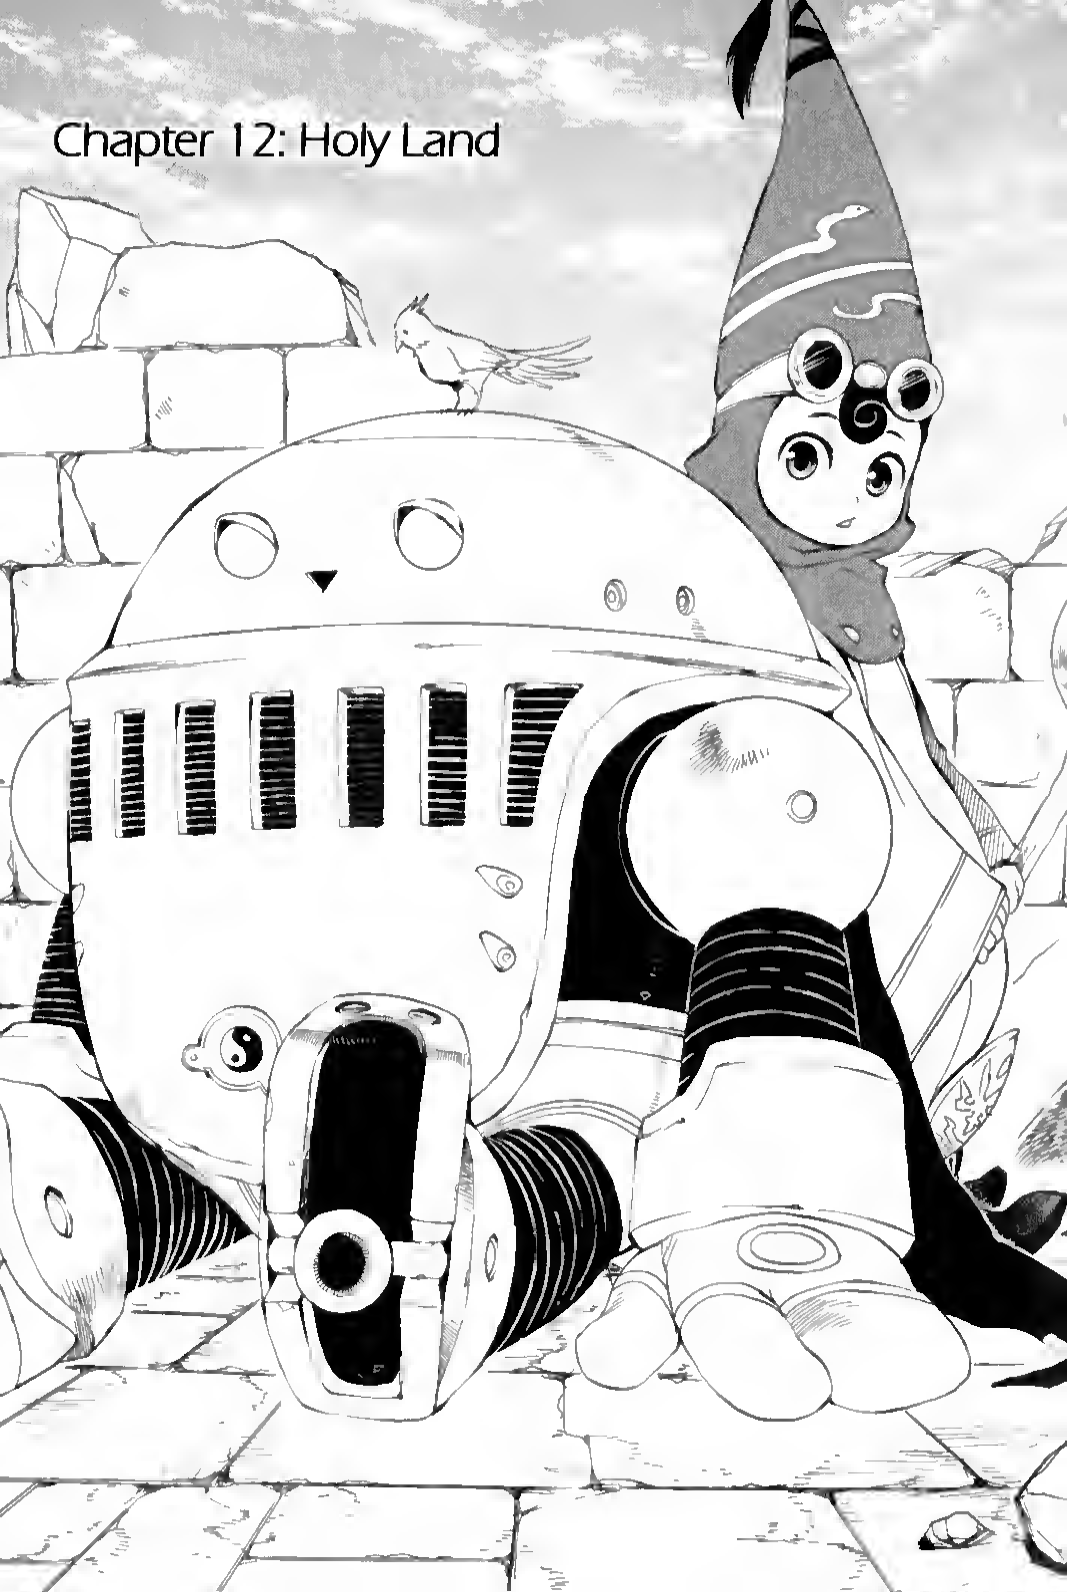
Chapter 12: Holy Land



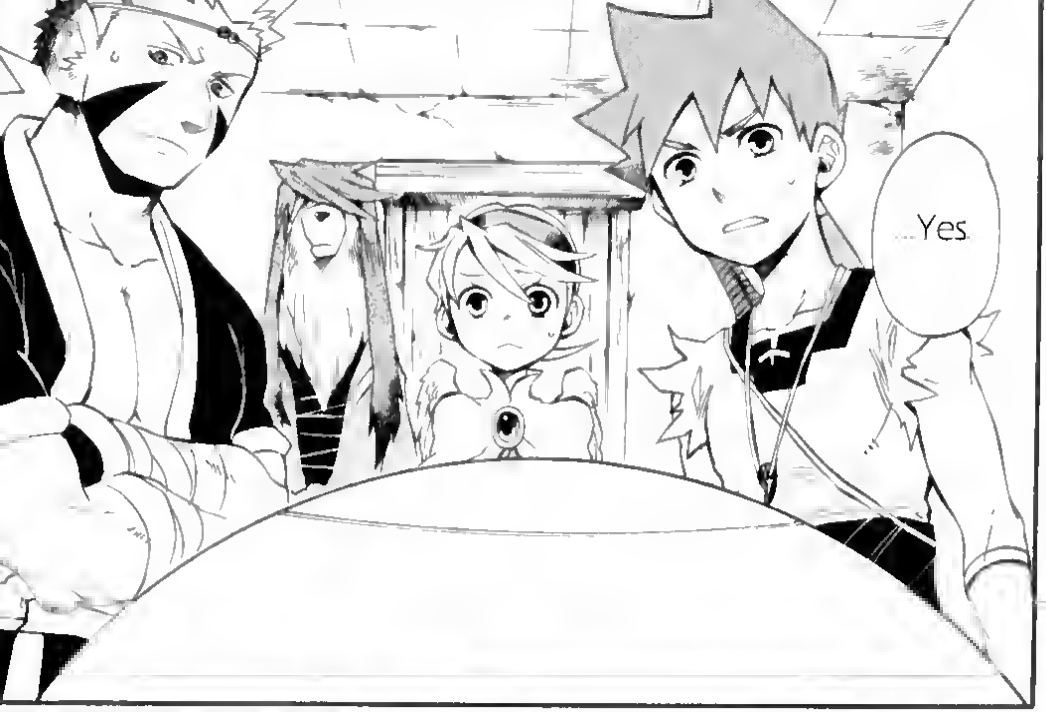
Ershin is—
An Endless...?!
Hm..
But I'm sure I felt a God's aura...
No... That is incorrect.
Ershin is Ershin.

This is.
A "Seal"?
No,
.....
It's a little... different?
Seal..?
Fufu...
That is correct.
What do you mean?
It seems like a God is somehow sealed within this armour

...It would appear so.
N... No way...
So then Ershin-san is a God too...?!
Eeeh
Chuckle Chuckle
Ufufu.
It would seem to all have a stronger connection to the Endless than we thought.
And this is only the beginning
----I can tell you many things,
So hurry up and undo the seal so I can get out of here, says Ershin.
Concerning the Yorae Dragon, as well...
I do not know what happened.

I... I understand.
It would be best to listen to someone who knows quickly.
But how will we undo the seal?
Eh?
It seems Ershin knows everything.
That's...
Immediately?
We have no choice but to do it immediately.
In.. Inside!?
Is that sort of thing even possible?!
It isn't, physically.
It would be better to say inside her heart.
To the place where the seal is...
You must go inside Ershin.

Will you go?
If so, I will guide you
What'll we do?
Ryu...
The seal is inside her heart.
Inside her heart...
Let's try it.
—Are you ready?

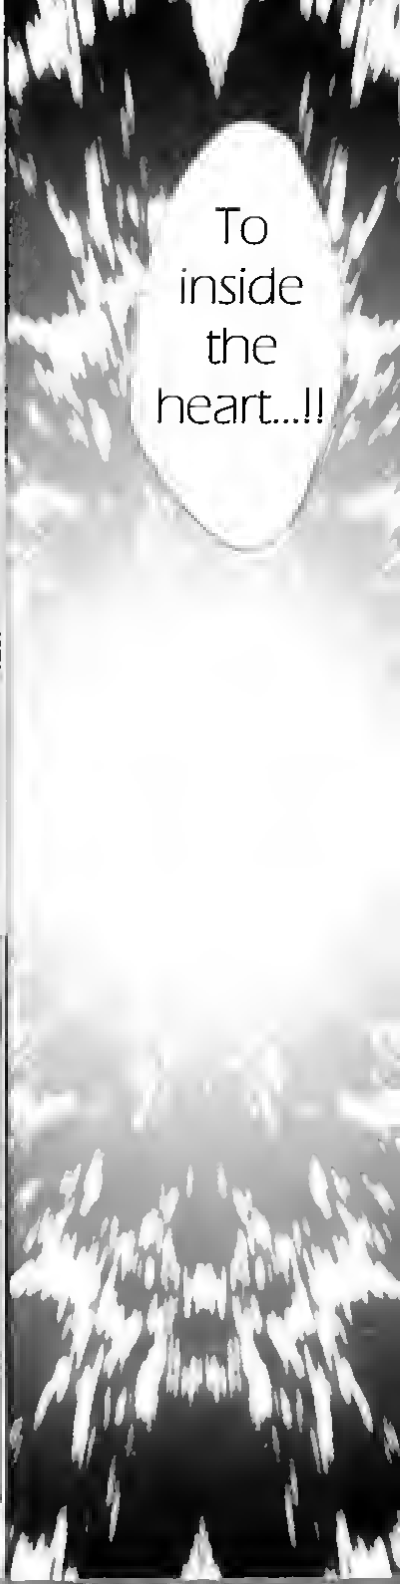


...Yes.

Now,
——Go!

Close your eyes.

Put your hand on Ershin-san...
And then hold each other's hands.



To
inside
the
heart...!!

They've come...
...Ryu-san...
Can you hear me?
It's all right
You can open your eyes.

...This is...
That place is inside Ershin-san's heart
Hurry and take the path to the seal
We're counting on you

It looks like there's something up there
Let's go...
Seems like...
...There's only one path.
!

Wh...
What is this?
Is this the seal...?
—That's right.
It's as you can see

Who else would it be?
Whatever, just hurry and break the seal.
It... It spoke!
Is it... the Endless inside of Ershin?
!?
I've been locked up here all this time.
Those are the seal.
Damn, they're annoying!
You see the pillars around here?
Break it, you say.... but how?

Can't be helped.
Stand back a little.
Hurry and smash it!
She sure does treat her workmen rough, geez...
Hoyaaaa!!

Aaah
I'm
fi—~nally
free!

Thank you.
—Firstly, let me express my gratitude.

...Nn?

That's just what that armour called me.
My real name is Deis.
Little baby bird.

What's the matter?
A...
Are you really Ershin-san...?

No
So then the one controlling Ershin was Deis?

So this kind of person was inside Ershin...
Baby bird...
beautiful...
cheek...

Since I was trapped here, I could only influence lives outside it.
Um...So, now that the seal is broken, Ershin-san is...
I only spoke through it.
I don't control the armour itself.
—Well,
That's so..
I forgot to mention, as I am right now, I don't have 'substance'.
—Because of that,
It'll go back to being normal armour, won't it?
Th-
That's...

I'll need a lender body, from a Medium

I cannot leave this place
EEH?!
So,

I'll be counting on you, then.
Have a nice trip~
.....

But, let's see
A Medium with a hot body would be nice

Med-ium?
That's right
This is the Land of Summoning, so there should be a bunch

What a selfish person...
She was a little...
different from my image of a God
SIGH
She said she couldn't come out without one.
But I didn't really get what she was saying...
We must prepare a Medium...
..I see
Are there any Mediums here?
Yes... That is no trouble.
Rhem
Yes.

She is the most powerful Medium in the village
BOW
My name is Rhem.
This child is Rhem.
She's the girl who helped us out before..
We'll leave it to you
Y
Yes!
Hurry and get ready
Such a good girl...
Yes!
Please treat me kindly!
Um
I'll do my best!

—Now then,
Stand infront of Ershin-san.
...Yes
—Here it comes ...!!
What should we do..
I wonder if she'll be okay...

Rh..
Rhem..?

THE AIR IS SO DELIC-IOUS!
Rhem ...?!
—What did you say?
Aaah -!
It's the out-side world!!
はぁ〜!!
I said I wanted a hot one
But this body is the worst...
Self-ish...
I'm Deis
I said I would borrow a Medium's body, didn't I?

About you and Ryu-san,
Won't you please tell us?
—Deis-san?
Fn.
I guess it can't be help-ed
Eh...
I was sealed in that armour a—~ll this time
Hey,
About the two of you...
.....
Don't you think you should let me eat and rest a bit first?

SCARF
SCARF
munch munch
SCARF

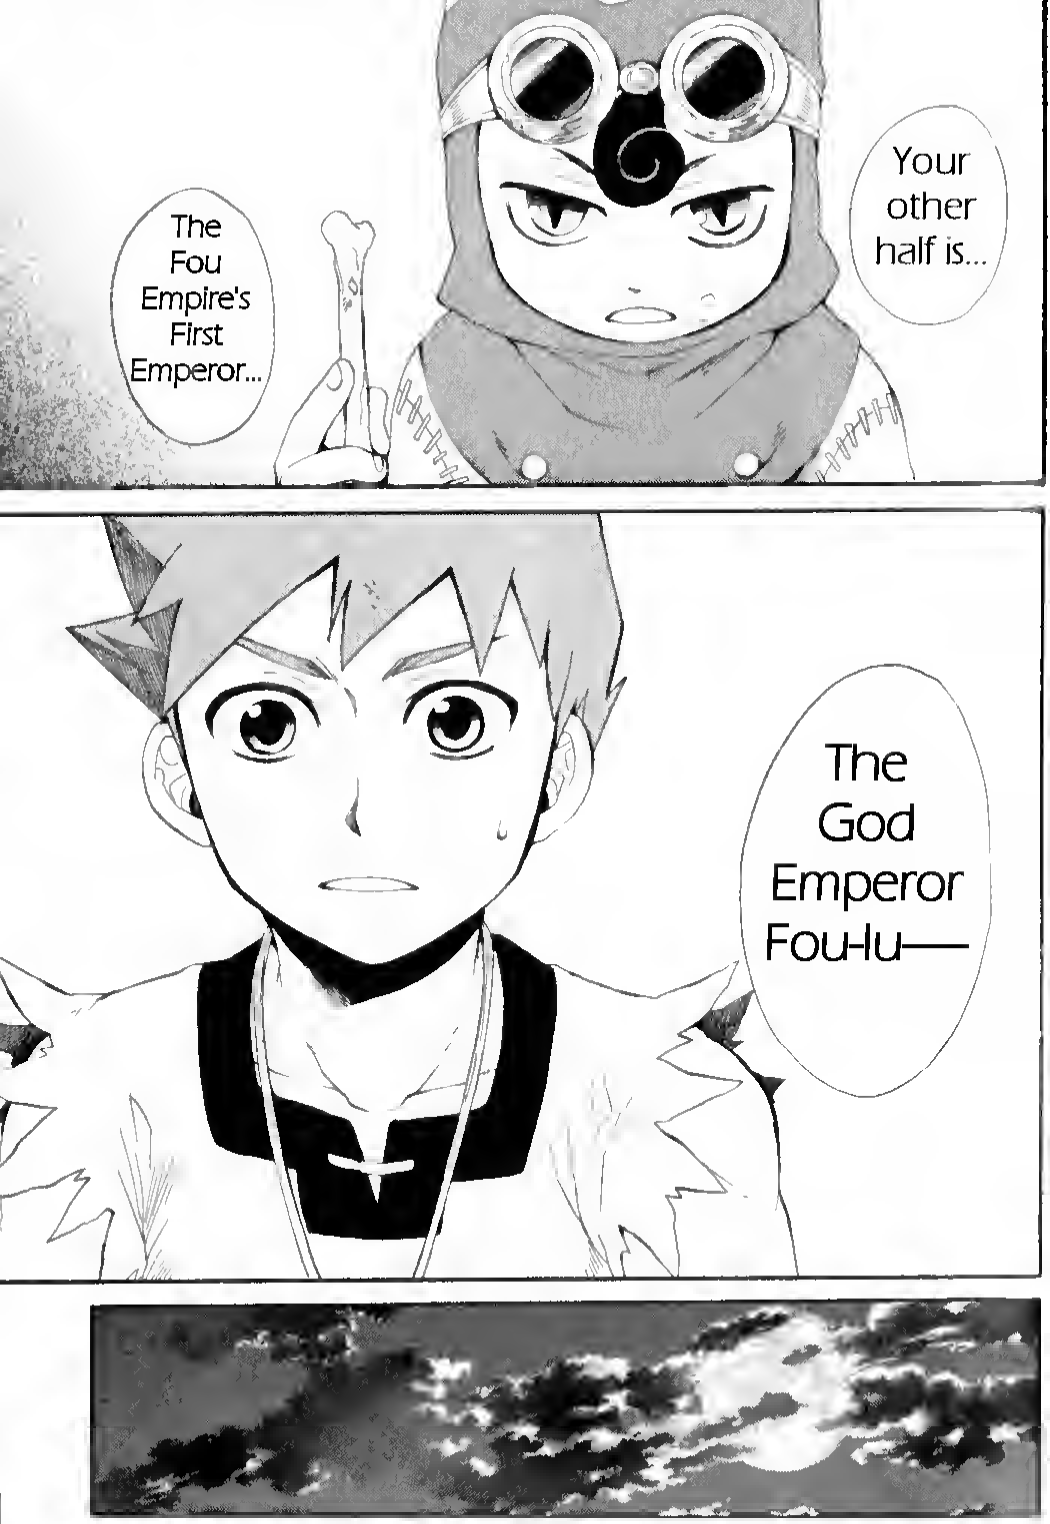
.....
You sure can eat...
Chew Chew
It's been awhile since I've eaten
Chew
You want to talk to a God, so,
Chew Chew
It's natural to give an offering...

—It's true that neither I nor Ryu were summoned by anyone in this land.
But will you speak with us?
How you were summoned...
And who in the world did the summoning...
We were summoned by the Fou Empire...
The Empire has the Summoning Technique...?!
The Empire summoned us in their own special way.
—However,
It's incomplete.

When you were summoned, you were split into two people.
Because it's incomplete, I was summoned without substance and had to be sealed in that armour...
...Ryu.
Then, who's the other person ...?!
My other half is...
Two people...



The Fou Empire's First Emperor...
Your other half is...
The God Emperor Fou-lu—

Fou-
Lu...
He's...
My other
half——

Chapter 13: Yorae Dragon - Part I

.....
Ah,
Yer awake, are ye?

Smoke
Smoke
Smoke
Smoke
Ah-
Smoke
Smoke
Wait jus' a bit.
Lunch is almost done.
.....
Ah'm sorry about the smoke...
I fergot ta make a chimney for the kitchen.
Ah'm sorry, An-chan, are ye alright?
The smoke is...!!
cough
cough
...Yes

...Huh?
.....
What's wrong?
Noth-in'.. It's jus' strange
Ah'm sure there was a wound here when Ah changed the bandages yesterday

It healed? Overnight?
...I am more robust than mortals.
Originally, there had been a rather deep wound
But it hadst healed
Then,
Would ya like ta go outside?
I hadst no issue with movement any longer.
Among other things

That would be nice,
don't ye think?
Since you can, Ah though' ya might like to move around
Out-side?
The weather is nice, too.
A walk should be good fer ye.
As long as we take a road to avoid the landlord,
It'll be okay.
All right?

Which would ye like?
Either would be fine
Flippa Flippa
We'll have grilled fish for dinner!
Or maybe boiled.
You sly beginner

Wow
You caught it, you caught it!
Hoho.
Not bad for your first time.

Wait 'ere a minute!
Dash

Ah... That's right.
Ah shoul' go an get some vegetables from the field.

You
Seems like ya can move around now
Stop
This sort of place is
Hey
There is no conflict here

Mami may be good enough to take care of ya, but...!
Ma-
Strangers can't just stay as long as they like!
.....
We do not intend to remain in this place much longer
...Thou dost not have to say it.
Yer wounds are healed, so hurry up and leave!

M... Mami,
This guy's wounds're healed, so.
T... they're not!
Then a' least 'e don't need your help anymore!
Let some other family member
'E does not 'ave any other family...
At least until 'is wounds are fully healed..
...Please, Landlord

But Ah'm sure the Landlord'll forgive us 'til yer wounds are healed
Eh?
Well—... Ye 'ad ta see somethin' unpleasant.
....Why dost thou apologize?
—Ah'm sorry, An-chan.
..Back then.
.....

I... said ya were my cousin before, but...
Yer
Really...
It's nothin'...
Let's go ta bed...
—Long ago,
.....
...No,

A God called Fou-Lu appeared in this world
At that time, there wert many kingdoms, all in conflict with one another.
The people asked of Fou-Lu,
to bring an end to their conflict and, bring peace
....Fou-Lu heard their wish,
And brought the countries together, to form his Empire.
...How-ever,

....He was a God, but he was incomplete...
Fou-Lu hadst used all his power...
And he fell into a long sleep
Because mortals are------
Though he was a God, as he was incomplete, he couldst not grant the mortals wishes
But Fou-lu under-stood

—I
don't under-stand...
yer story tha' well...
—But,

Ya jus' look so sad...
!
.....
Ver-ily...
Thou ist a strange human.

—And so,
You both woke up at a different time and place.
And soon, you two will fulfill your destiny, and become one——
W...
Wait a minute!
He'll give his power to the Empire ...?!
You will become a complete God, and use your power for the sake of the Empire

That's irrelevant, tiger cub
Cub
Since we Gods use our power for those who summoned us.
If that happens, it'll just mean another war!
—You'll be absorbed into him.
If I meet Fou-Lu...
...Then,
Nn?

Abs-orb-ed...
"Ryu" will become "Fou-Lu".
——Even so, do you still think you want to meet him?
And Fou-Lu will become a complete God
Ryu-san .
.....

Snore~
Deis~ san~~
Don't stop in the middle of talk~ing!
Wai
Because I'm going to sleep
Decide by tomorrow
Fuaaa
Well,
I'd understand if your determination weakened, knowing you'd disappear

This has gotten too big
It's because Deis moved outside, right...
Ershin-san..
I guess she really can't move
I didn't say that.
But what can we possibly do?
Are you saying we should just abandon Ryu-san.!?
This's way out of our hands
There's two Gods here, and everything else...
Nii-sama ...!
—Nina,
What to you intend to do about Ryu?

Ah..
I...
I'm worried...
about what Ryu-san will do after this.
After we found my sister and returned to Wyndia, I thought everything would be fine, but...
—Most of all,
But there's still Elina to worry about.
It's not like I want us to abandon him.

Let's wait and hear what he has to say.
Ryu is our friend.
...Yes.
I'll be absorbed into Fou-Lu...
[Even so, do you still think you want to meet him?]

If I meet you, I'll——
Fou-Lu
My other half
But, I can't help being a little scared...
I want to meet him...
…?
ひょ

Staaaare
Wh
What ?
....Lord Ryu.
You haven't eaten, right...?
A meal.
We brought you

Lord Ryu
Eh?
Thank you...
...Th-
Why did you awaken now?
Wai...
Rustle
!?
Rustle
What?!
Rustle
Who was it that summoned you?
Where is Lord Fou-Lu right now?
Is Lord Fou-Lu really your other half?

I....
I see...
That startled me...
But this is our first time seeing a real God,
So...
S...
Sorry
We're appren-tices...
...Um,
...It seems.
—Huh?
He's awoken, too, but,
I don't know where he is.
My other half is the First Emperor, Fou-Lu...
It looks like I was summoned by the Fou Empire

.....
I'm sorry.
I don't know

I couldn't answer these before, either.
What kind of person is Lord Fou-Lu?

I still don't know anything—

He is me, isn't he?
—That's right

Isn't he your other half?
Yeah...

—Yeah.

Kuaaa
—So,
You're determined, then?

..Why?

Even knowing you'll be absorbed when you meet him..
Yeah

I want to meet him, and talk to him.
But.
You'll get absorbed.
Yeah
But,
Weren't you listening?
—Hm
If we meet and talk
We can get to know each other.
Though I don't know if we can find some way other than absorption.

I'll help you out.
If the person in question says he wants to, it can't be helped.
I think it's a stupid mistake, but,
...Power?
And power, too
What Ryu needs now is information, right?
That okay, Ryu?
You're Fou-Lu's other half, but,
Fou-Lu is your other half, too.
It's true that as you are now, you'll be absorbed.
However,
If you were to become as powerful as Fou-Lu, then——?

Actually, he may even be able to become the "God".
Right.
..Then he wouldn't be absorbed..?
As powerful as...
There must be a temple around here where you summon the Endless, right?
Elder.
Yes..
Noisy tiger...
—Is that even possible?
Who do you think I am?
Do you even know a way?

De...
Deis?
Yeah, that.
Show us where it is.
The Yorae temple?
W....Why would we do that...?
The Dragons already in this world, anyways...
What exactly..
You're going to call some dragons here.
We're going to give you power.

So close, and yet so far...
How annoying...
Please talk with us again!
Ryu-sama,
We made you a lunch
—Yeah,
Thanks
Please be carefull!

Then, we're off!
Ershin
Eh

Ershin-san...!?
Ershin
Where are you going without Ershin?
Fuu
You certainly are a pain.
Ufufu.
It appears so.
What the? You can still move?
W..
Why...

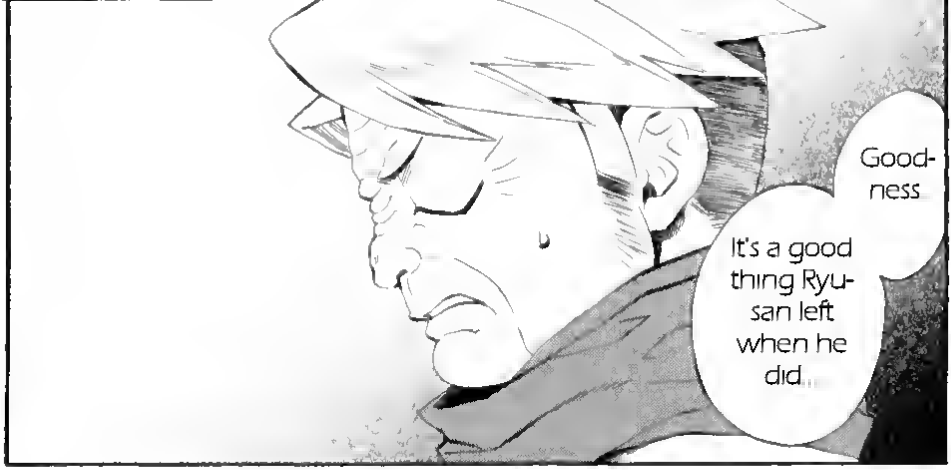
I'm glad I'm finally left you.
I'm sad that you've left.
I'm glad that seal is finally gone!
Deis-san...
It's fine if you can still move.
But you can just stay here
Armour should act like armour!

Do you no longer need Ershin?
...Ah.
Ufufu-...
...Fufu.
Ershin-san...
It would appear that was the wrong place to laugh.

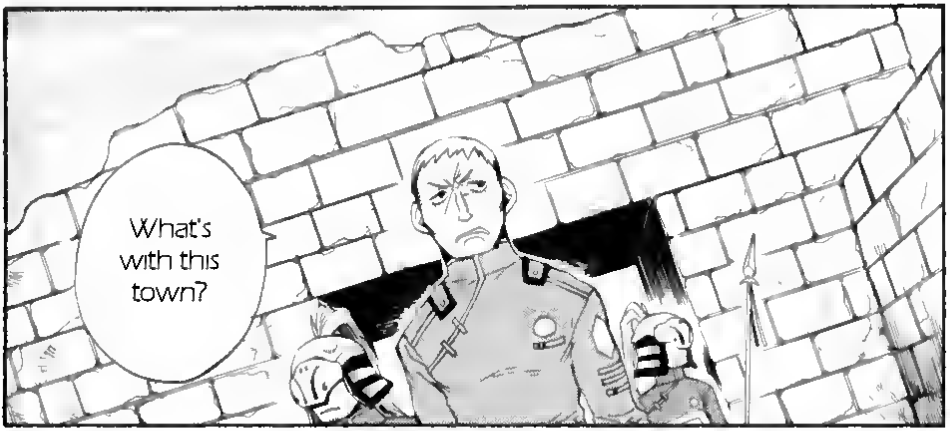
That's the village of secret arts...
If you don't believe me, you can wait for orders up here.
Captain Ursula.
This place sure is remote, isn't it?
...Is there really a dragon here?
...Fn.

Chapter 14: Yorae Dragon - Part II

They've come to search for Ryu-san!
They're going to surround the village!
Imperial soldiers are almost here
—Elder!
Y... Yes!
Under-stand?
Head north from here
Take the others and escape

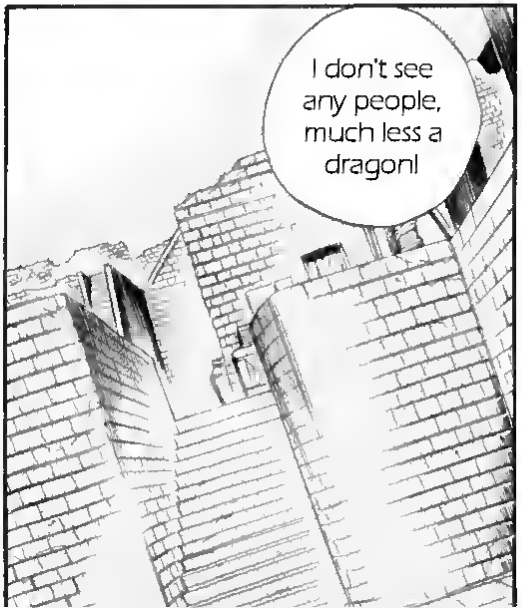


Good-ness
It's a good thing Ryu-san left when he did



What's with this town?

But, Captain
You can see that people live here
Seems like they left in a hurry...



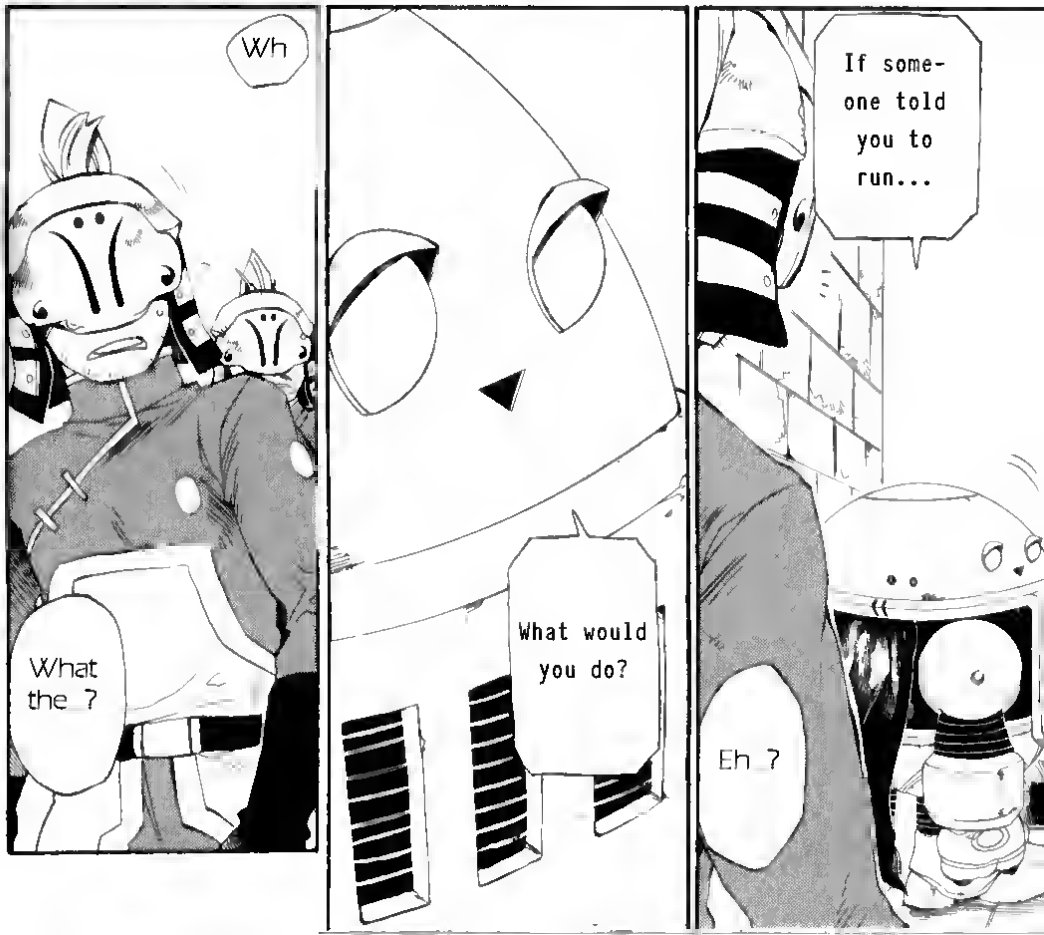
I don't see any people, much less a dragon!

For now, just check in and around the buildings
Yes, sir
It's getting to seem more and more likely there's a dragon here.
They've already come this far into the village
I was a bit slow
You're...
!!
I have to hurry and get away...

Gu...
Are you one of the villagers..?!
—That is dangerous.
Eh?

Ershin-san...!?
Ufufu...
They've found us, have they?
What was that sound...?!
Th-
This is bad!
You were one of Ryu-san's companions. It would be bad if they captured you...!
Please, leave me and go!!

Y... You there!
Who are you?!
.....



Wh
What the ?
What would you do?
If someone told you to run...
Eh ?

This guy can help us find the dragon!
Capture it!
!
This is some kind of weirdo ...!
That armour...
Er- Ershin-san...!?
Though Ershin did say to stay here....
H——mm.
Ershin is not here, so I'm not sure...
Yes!

However, while Ershin is gone, I will fight.
I believe it would be best if you fled.

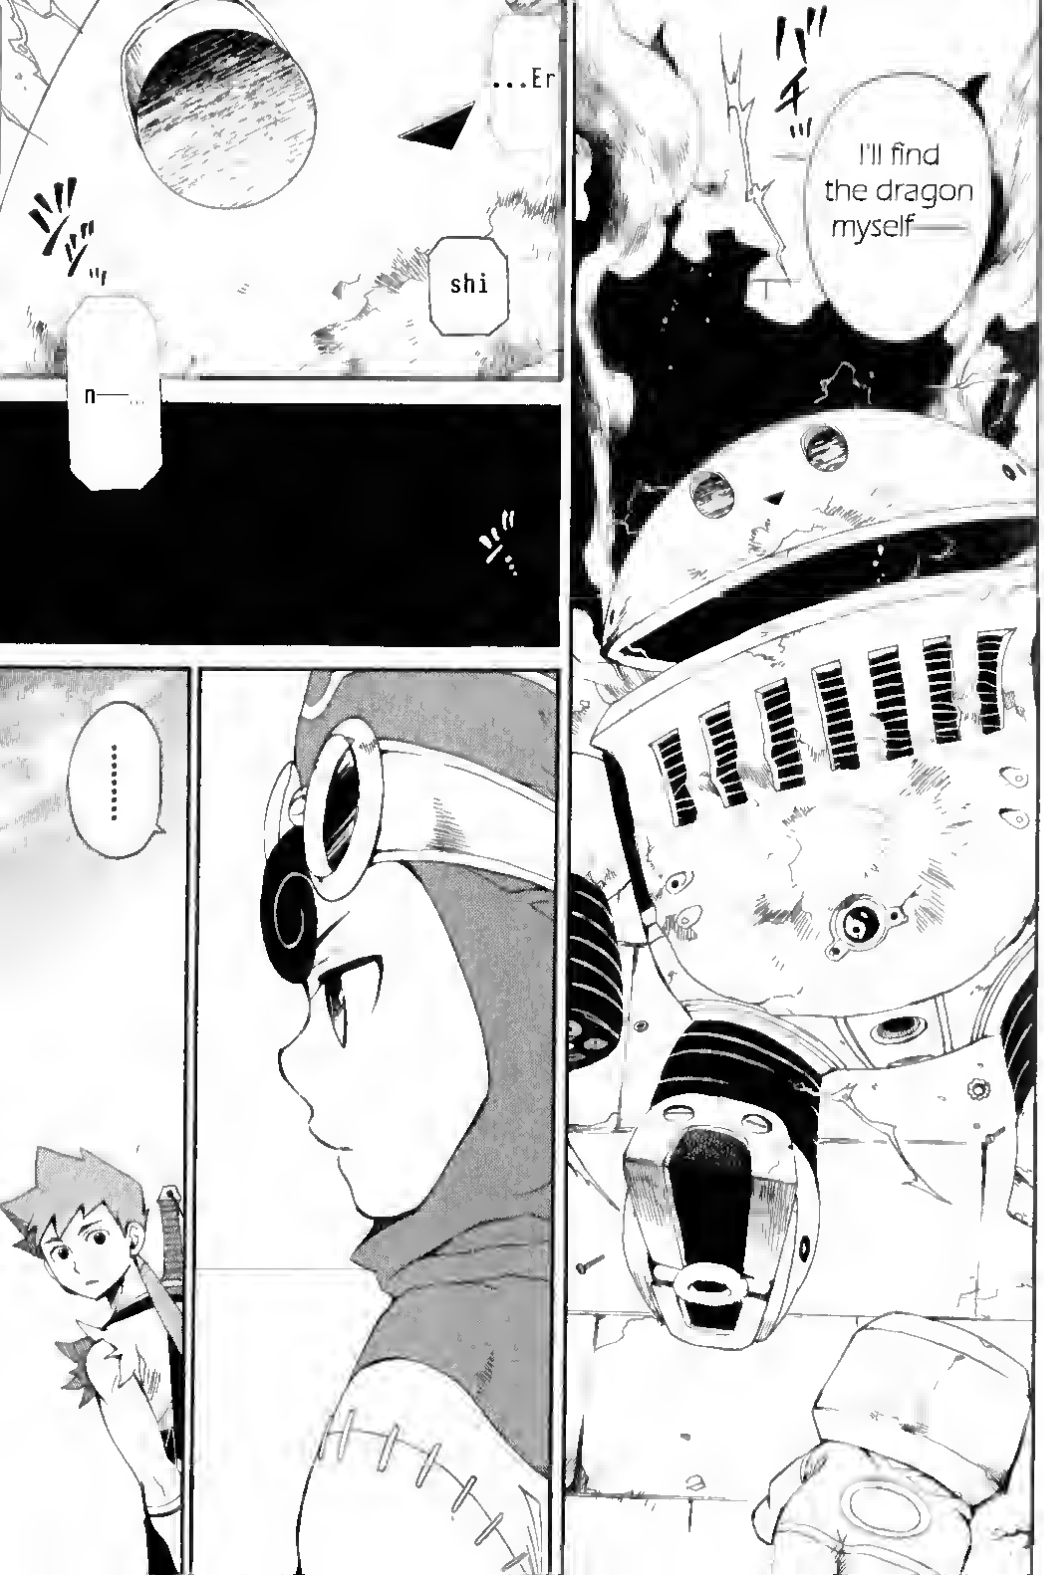
—You've been just as violent as you like, haven't you?
If you're honest with me about the Yorae Dragon's location,
I'll overlook this, how's that sound...?
Step...
Step...
.....
It would be best not to say.
...Hmph.
Step

No matter You've probably hidden him nearby
I could use you as a hostage to lure them out, but
You're not very cute at all
I don't need you

—Just sleep there
Forever
Ershin-san!



...Er

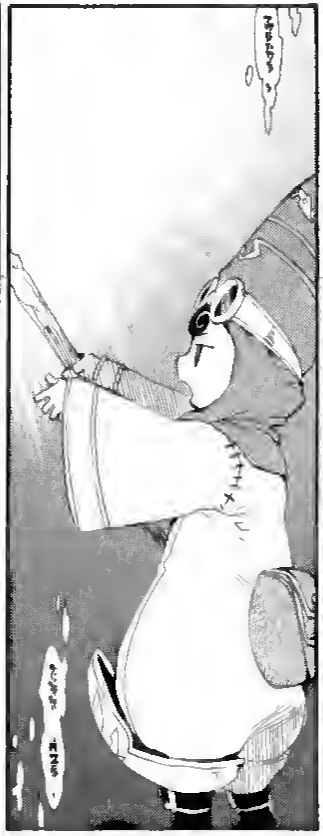
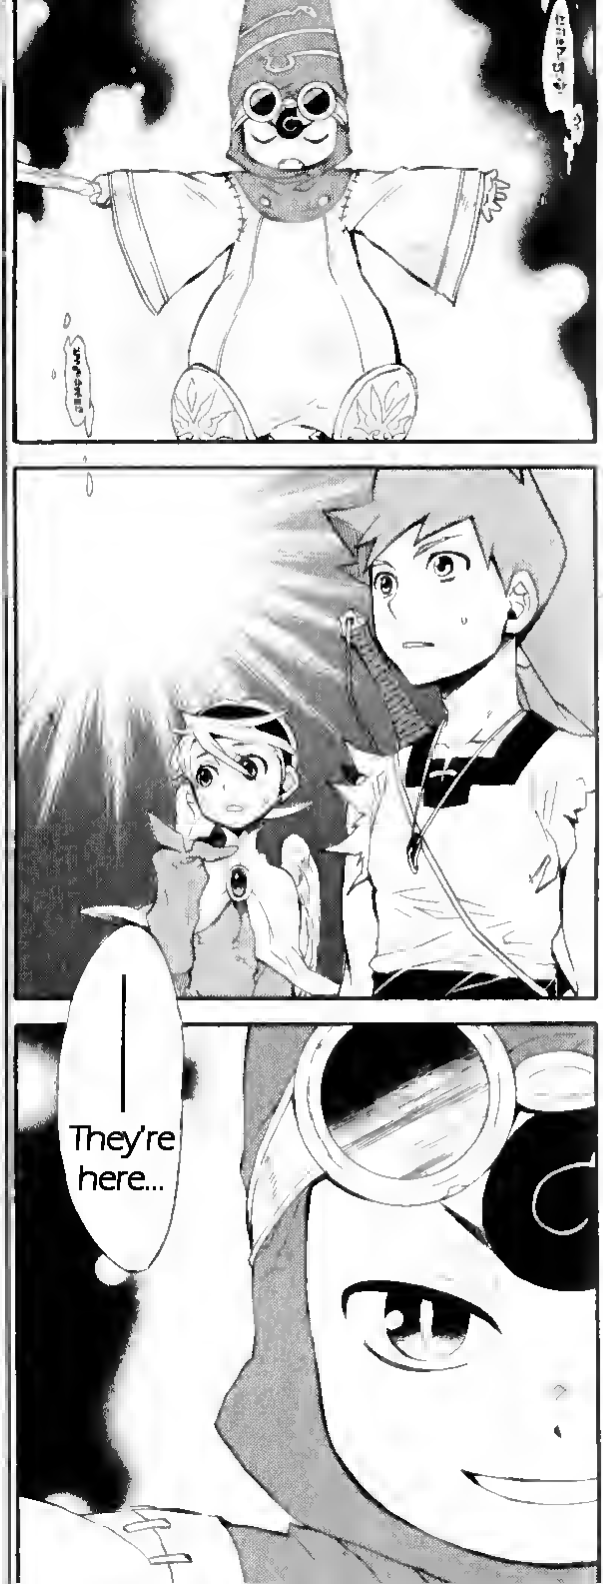
n——...
I'll find the dragon myself——
.....

The dragons' aura is certainly strong here.
We should be able to talk to them here.

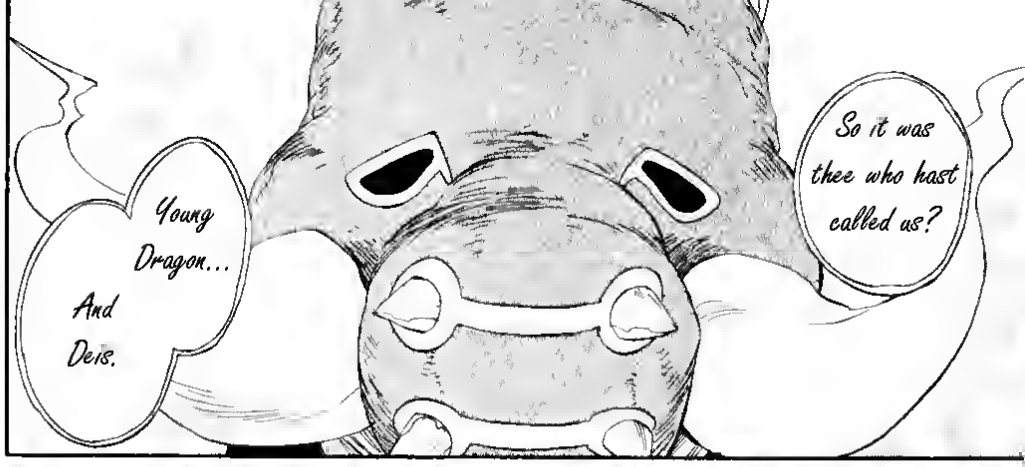
Deis?
Nn.
Looks like we've reached the altar.



Well then,
Let's get started, shall we?



They're here...



*Grass, Ocean, Rock, Sand, Tree, and Mud Dragons, respectively.

Yorae Dragon...
The Dragon whose role is not yet set...
Ryu...
I'm not the one who called you here.
Chicklung?
It's the little chickling, Ryu-chan.
However, Deis,
Ryu and Fou-Lu's meeting is preordained.
Already, Fou-Lu is moving.
Yes,
He has no role, and his power is weak.
That's why we want you to lend him power before he's absorbed by Fou-Lu.
And his great piller of light is——

It's because we were worried about that that we called you !
That's so stupid. !
And your own small flow will be swept up in it...
That is your fate——
You were all called here to bring stability to this world, right?!
In that case,
How can you not be aware of Fou-Lu's feelings right now!?
Right now,
He's begrudging this world——

We are aware of Fou-Lu. But as of yet are undecided in what to do...
...However.

What is she talking about?
Dunno
.....

...Very well.

Yorae Dragon... The one whose role is not yet set...
Will you be able to change it...?

In the near future,
The world may start on a dark path.

A power to rival his.
We shall lend your our power.
Young Dragon

.....
Eh ...?
Ryu-san, A-are you all right?
Ah... Aah... Yeah.
...I wonder.

—Well, I'm su-re it'll be fine
This power could destroy you.
You're a baby that's been given very powerful weapons
Be careful
I feel like I'm losing myself, bit by bit...
—Well, we've got-ten our hands on power, but.
You'll have to figure out how to use it yourself
Since I can only provide support
Since when this is all over you'll be send-ing me back to my world
Well, do your best from here on out, Ryu-chan
You'll be going back...?
Eh..
Yeah

That's so
Is this world so disagreeable...?
.....
I want to say goodbye to this world as soon as possible
.....!
I think anyone would want to go back to their own home
Hmph
I was brought here suddenly
"Please be our God!"
—Is what they said What would you have done, chickling?
Does Ryu-san also want to return?
...Does Ryu-san...

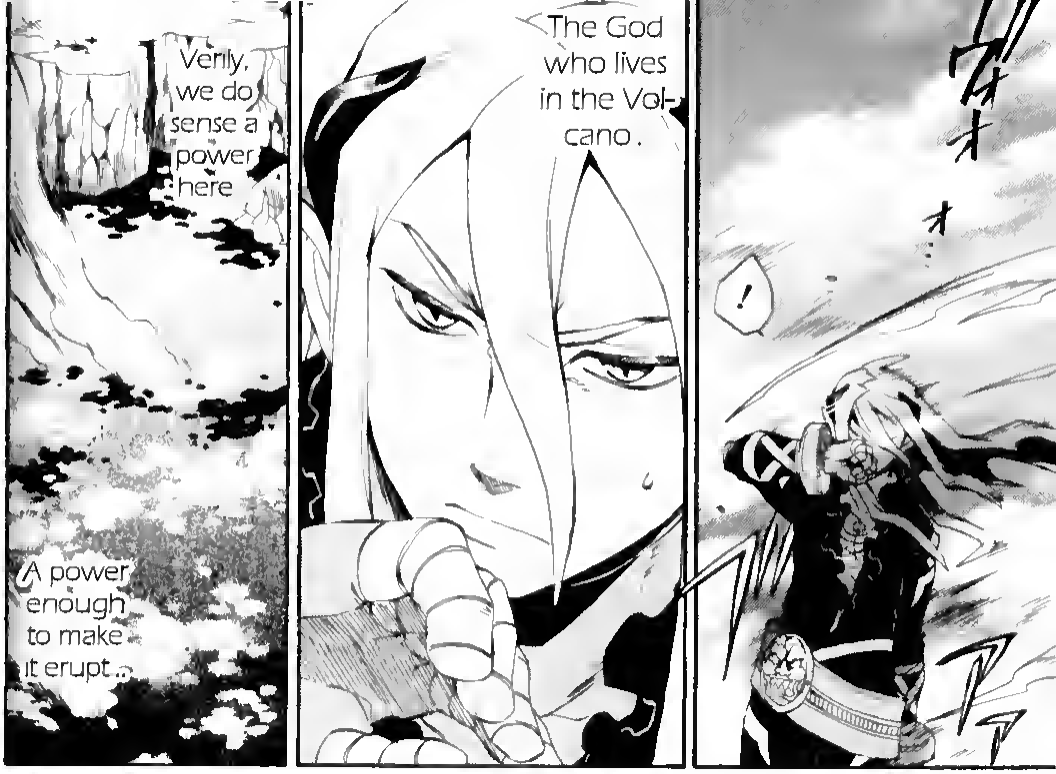
Does Ryu-san also think this world is
...I...

Kya
Our other half
The aura of a dragon hast risen
..Is it you, I wonder?

Wow~

There've been earthquakes an awful lot lately, so it might be ready ta blow...
The God of Mount Yogi
...God?
Ah wonder if the God of the Volcano is angry
They're gettin pretty common.
Jus' wait a bit longer, An-chan
Once Ah'm done with work, we kin head back home
?
.....
All done!
–Phew

……
An-chan..?
Do ye want ta head back, An-chan...
Now,
ゴゴゴゴ…



Verily, we do sense a power here
A power enough to make it erupt...
The God who lives in the Volcano.

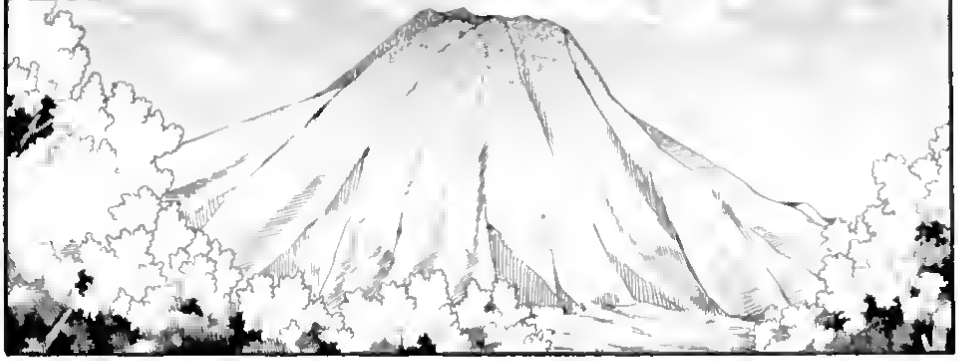
And then believest that thou wast a God yourself.
Thou is nothing but a monster who hadst been influenced by the swell of the Dragon's power in this world.

YOU THINK ME DUMB?
ME NO UNDER-STAND BUT
—It seems Gods are unnece-ssary...
YOU LOOK DOWN ON GOD?
ME KILL
YOU LOOK DOWN ON ME?

KILL

Thou he was but a monster, he hadst thought himself the king of this world .
The Dragon's aura hadst over-flowed,
And he dranketh of it.
And what, then,
of mortals...

Chapter 15: Yorae Dragon - Part III



I wonder if somethin' happened ta the God of th' mountain

The volcano's gotten quiet...
That's strange... I thought fer sure it'd be a big'n this time

Ryong An-chan ?

Ya... Ya couldn't've done somethin' ta the God of th' mountain, right. ?

I came ta see what'd happened ta the moun-tain
What're you doin' here?!

You...
What are ya——?
W_ why do ya know such a thing_?

Is there nothing we can do..?
But didn't I already say I'd never do it?
You're going to disappear because you tried the impossible
That's...!

Die...?
D..
So then, Ershin-san is going to..
.....

—How can you say such a thing!
And go back to being ordinary armour..
—Don't say strange things, chickling
That isn't a person.
It won't die, it'll just disappear.

Ershin-san...

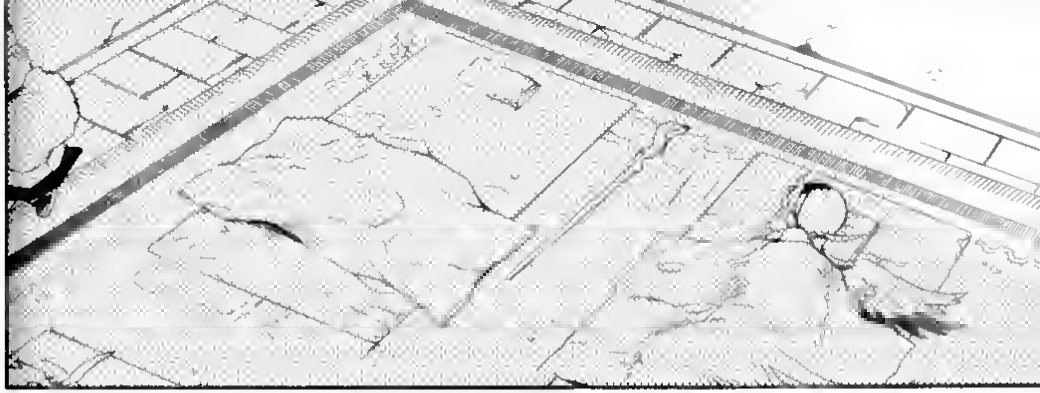
—So all the other villagers are being evacuated to a different place?
Do not worry for the villager's safety
Who knows what would happen if the Empire found you
Tomorrow, we'll go and check on the situation at that village
Now that the Empire has come to this place, it is best we leave
There is an abandoned village...
The others should be there
Ershin-san might have originally been just a suit of armour...
But does that mean the Ershin-san we knew never existed?
..Ryu-san.
..Nina

A different place from when we die...
That's so...
unfair, isn't it?
Ershin-san...
I wonder where he went?
I wonder if it's...



...Deis-san.

...Mortals are strange creatures...

You can't sleep...?
.....

They hate and fight each other.
They hurt, even kill each other...
All without batting an eye-lash.
—And yet, something that was alive simply by chance,
This sort of thing
They care about.
—Perhaps,
It is because we know that it will also fade away...
As must every-thing

——If that's true, then what about me?
Does that mean the Ershin-san we knew never existed?
If I disappear,
Then what happens to the me here——?
Morn-ing...?
!?
Huh...?
H

It must be——
Could it be
There are people here...
If it isn't Nina, then
No one's here....
—Strange
Imperial troops—!
Every-one !

—Don't move.

You are Ryu, correct...?
!?
I am Ursula, of the Fou Empire's military.
We know you're the Yorae Dragon, so you'll be coming with us
What. !?
Ryu-san...!!
. It's useless Don't resist.
If you're cooperative, I'll promise your friends' safety

—You will all be coming to the Empire
Nina-
Every-onell
—Damn it...
.....
You tortured them, didn't you...!?
What are you talking about?
If you've come back here, does that mean...
You found the evacuated villagers...?

....This morning was the first time I have come to this village.
I saw what you did to Ershin. And that tells me just what kind of people you are...!
Don't play dumb
Please let us go make sure they're all right!
Please...
....I see. So that's why we weren't able to find anyone.
All the other villagers are hidden in a different place.
!?
The one who came before was Captain Rosso..
E, Excuse me,

Take us to that place
—Very well
.....
It's true that Rasso isn't here. He might have gone after the villagers...
Oh my

You're...-
If it isn't Ursula.
And...
So Ursula managed to catch you, did she?
Well, well
It's the little Yorae Dragon!
.Captain Rasso

I don't know about that.
Well...
...Then, what are you doing here?
These people say that the villagers have taken refuge here.
Have you seen any?

Searching for the Dragon.
Oh my
Feeling important since you caught the dragon first, are you?

Down the Road of Fate - Part I

What is..-?!
It looks like it's the same transform-ation as *that time*...
I know what it is...
Fufu

But this time will be different!!

It's completely different.

Such a small child...
But Deis said she wanted someone with a hot body...
Though I don't really understand
The most powerful in the village
Rhem is a Medium
In that case, let's make Rhem a hot body
Hm... First, she's too short.
Sorry I'm short
A hot body, is it?
Everyone here has the same figure, so that could be difficult.
We should do something about her breasts, too
And how about blonde hair?
Some make-up would be good, too
How about stilts?
Humming and Hawing
Normal is fine.
A hot bodied Medium

Now, that hole in the stove leads ta behind th' house.
They can hear
We'll be together again.

*The actual term was Okama - those of you who read One Piece will know what this is
Basically it means really effeminate men/gays/cross-dressers/transvestites
Since Rasso doesn't cross dress and isn't blatently gay I went with the above
Also it seems like something Ryu would say
